May 22, 2020 - Introducing Privacy News Online

2020-05-22 - Michael B - Announcements

While we due make every effort to provide our customers a retrospective, each week, regarding the latest news that may impact your privacy and security, we feel that ensuring individuals throughout the world are made aware, across as many mediums and platforms as possible. With that in mind, on our personal YouTube channel, Private Internet Access, we will now feature a weekly video highlighting the security and privacy concerns that might impact you, on a weekly basis.

Please subscribe to our YouTube channel, here, and make sure that you are up-to-date with the most important and impactful privacy and security news throughout the world.

You can watched the review for the week of May 22nd, by following this link: https://www.youtube.com/watch?v=az5xSbfSWbQ

Stay safe!
